From our sleek wall oven and wall microwave to the high-performance induction cooktop with 5 burners, each appliance combines cutting-edge technology with elegant design. Enjoy the convenience of soft-closed doors and taller cabinets, providing a touch of luxury and ample storage space. Complete your kitchen transformation with our exquisite wine cooler, preserving and showcasing your favorite bottles. Elevate your cooking experience and embrace the perfect blend of style and functionality. Your dream kitchen awaits! *No upgrade options for the suite kitchen.*

## Solar Roof Panels Upgrade & EV ready in garage **\$15,500**

Unlock a greener future and reduce some of your energy consumption with our solar panel home upgrades. Our comprehensive package includes conduit installation from the roof to the mechanical room, plus, enjoy the convenience of an extra powerline in your garage, primed for an electric vehicle (EV) charger (charger not included). With approximately 5 kWh of power generation, tailored to your roof size and orientation, you can significantly reduce your reliance on traditional energy sources while making a positive impact on the environment. *Price will vary based on available roof area and house location.*

## Electrical Fireplace **\$5,000**

Experience the warmth and ambiance of a traditional fireplace without the hassle of wood logs and maintenance. Our site-specific wood mantel adds a touch of rustic elegance, seamlessly blending with your existing décor. Create the perfect atmosphere at the touch of a button, as our electrical fireplace radiates realistic flames and customizable heat settings, allowing you to enjoy a comfortable environment all year round. With easy installation and no need for venting or gas lines, our electrical fireplace upgrades offer convenience and versatility.

## Interior **\$26,500**

Elevate the luxury and functionality of your home with our exquisite interior home upgrades. Step into a world of comfort and sophistication as you indulge in the ultimate level of convenience and style. Experience the soothing warmth of in-floor heating in the front entry and master bath tile area, providing a cozy welcome and a spa-like retreat. Enhance your bathroom space with a vanity featuring extra drawers, ensuring ample room for all your essentials. Enjoy the convenience of double sinks in both upstairs bathrooms, allowing for a seamless morning routine for you and your loved ones. Immerse yourself in elegance with a master shower upgrade, featuring stunning 10mm frameless glass for a sleek and modern touch. Stay organized and clutter-free with built-in front entry storage and a locker, effortlessly maintaining a tidy and welcoming atmosphere. Illuminate your closets with energy-efficient LED lighting, providing optimal visibility and a touch of luxury to your wardrobe. Lastly, elevate the style and functionality of your powder room with a vanity, replacing the traditional pedestal sink. Upgrade your interior spaces today and transform your home into a haven of comfort, convenience, and timeless elegance.
